Re: Non-payment Cancellation Notices

Effective immediately, our office will no longer send a reminder of any impending notice of Cancellation for non-payment on policies billed by the Insurance Company. The only notice you Will receive will come directly from either the Insurance Company or Premium Finance Company

Please pay close attention to these notices and be sure to allow enough mailing time for the Payment to reach the Insurance Company prior to the cancellation dates.

If you have any questions, please do not hesitate to contact our office.

Regards,

Thank you!
