Independent Auditors' Report

To the Board of Trustees Jewish Community Foundation of Greater Mercer, Inc. Princeton, New Jersey

We have audited the accompanying financial statements of Jewish Community Foundation of Greater Mercer, Inc. (the Foundation) which comprise the Statement of Financial Position as of June 30, 2021, and the related Statements of Activities, Functional Expenses and Cash Flows for the year then ended, and the related Notes to the Financial Statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Jewish Community Foundation of Greater Mercer, Inc. as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Net Assets on page 15 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1 - <u>Summary of significant accounting policies</u>

Nature of foundation

Jewish Community Foundation of Greater Mercer, Inc., formerly the Jewish Community Foundation of Princeton Mercer Bucks, NJ/PA (the Foundation), is located in Princeton, New Jersey and is organized to provide a capital fund or funds to further the educational, religious and charitable needs of the Jewish community, including specifically the Jewish community of Mercer County and environs, New Jersey and Bucks County, Pennsylvania. In order to accomplish this, it may establish funds which provide for educational, religious, charitable and scientific needs beyond that of the Jewish community.

Basis of accounting

The financial statements of the Foundation have been prepared on the accrual basis of accounting in accordance with the accounting policies generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the financial statement date and the reported amounts of revenues and expenses during the reporting period then ended. Actual results could differ from those estimates.

Cash and cash equivalents

Cash and cash equivalents include unrestricted time deposit, certificates of deposit and highly liquid debt instruments with original maturities of three months or less.

Investments

The Foundation carries investments with readily determinable fair values and all investments in debt securities at their fair values. Unrealized gains and losses are included in the change in net assets.

Custodial accounts

The Foundation holds cash and cash equivalents, investments, and gift annuities on behalf of other charitable organizations as a fiduciary agent for the purpose of investment management only.

Public support and revenue recognition

Contributions are recognized in the period the donor makes the promise to give. The Foundation records contributions as with or without donor restrictions depending on the existence and/or nature of any donor restrictions.

Note 1 - <u>Summary of significant accounting policies (continued)</u>

Public support and revenue recognition (continued)

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as changes in net assets released from restrictions.

Contributions of donated non-cash assets are recorded at their fair values in the periods received. Contributions of donated services that create or enhance non-financial assets or that require specialized skills, that are provided by individuals possessing those skills, and that would typically need to be purchased if not provided by donation are recorded at their fair values in the periods received. Volunteers have contributed significant amounts of time to the activities of the foundation, without compensation. The financial statements do not reflect the value of those contributed services.

Investment income, and gains restricted by donors, are reported as increases in net assets without donor restrictions, if the restrictions are met (which happens either when a stipulated time period ends or when a purpose restriction is accomplished) in the reporting period during which the income and gains are recognized.

Equipment

Equipment purchases in excess of \$1,000 are recorded at cost, except for donated items, which are recorded at their fair market values on the date of donation. Depreciation is provided over the estimated useful lives of the assets (five years) using the straight-line method. Repairs and maintenance which do not extend the useful lives of the related assets are expensed as incurred. There was no depreciation expense for the year ended June 30, 2021.

Net asset classifications

Net assets are classified based on the existence or absence of donor-imposed restrictions. Net assets are defined as follows:

Net assets without donor restrictions - net assets are not subject to donor-imposed stipulations or the donor-imposed restrictions have expired.

Net assets with donor restrictions - net assets include assets for which donor-imposed stipulations that will be met by actions of the Foundation and/or by the passage of time.

Note 1 - <u>Summary of significant accounting policies (continued)</u>

Functional allocation of expenses

The cost of providing the program and other activities has been summarized on a functional basis in the Statement of Functional Activities. Accordingly, certain costs have been allocated among the program and supporting services benefited. Management has determined the allocation of payroll and program expenses using specific identification. Indirect expenses have been allocated based on management's estimate.

Advertising expenses

The costs of advertising are expensed as incurred. Advertising expense amounted to \$0 for the year ended June 30, 2021.

Income taxes

The Foundation has been notified by the Internal Revenue Service that they are exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Foundation is further classified as an Organization that is not a supporting organization under Section 509(a)(3) of the Code. The most significant tax positions of the Foundation are its assertions that it is exempt from income taxes and its determination that no amounts are subject to unrelated business income tax (UBIT). Income generated by activities that would be considered unrelated to the Organization mission would be subject to income tax.

The Foundation follows the guidance of Accounting Standards Codification (ASC) Topic 740, Accounting for Income Taxes, related to uncertain income tax provisions, which prescribes a threshold of more likely than not, for recognition and derecognition of tax positions taken or expected to be taken in a tax return. Management has determined that it is more likely than not, that all tax positions would be sustained upon examination by taxing authorities. Accordingly, no provision for income taxes has been recorded.

The Foundation files a Form 990 Return of Organization Exempt Form Tax, annually with the Internal Revenue Service, as well as State equivalent filings. The filings are subject to audit by the appropriate authority. The Foundation's information returns before 2017 are no longer subject to examination by Federal or New Jersey authorities due to the statute of limitations.

Note 2 - Concentration of risk

The Foundation maintains its cash and cash equivalents in bank deposit accounts, which are insured by the Federal Deposit Insurance Corporation (FDIC) and in investment accounts, which are not federally insured. From time to time, deposits at an insured bank may exceed the coverage. As of June 30, 2021, there was no uninsured cash.

During the year ended June 30, 2021, the Foundation received approximately 18% of its total support and revenue from one donor.

Note 3 - Investments

Investments are stated at fair value and consist primarily of stocks, bonds, and other investments. Fair values and unrealized appreciation/(depreciation) as of June 30, 2021 are summarized as follows:

	Basis	Fair Value		Αŗ	Jnrealized opreciation/epreciation)
With donor restrictions stocks, bonds, other Without donor restrictions	\$ 10,779,035	\$ 12,433,342	2	\$	1,654,307
stocks, bonds, other	 2,430,929	2,804,014	<u> </u>		373,085
Total	\$ 13,209,964	\$ 15,237,356)	\$	2,027,392

The following schedule summarizes the investment return and its classification for the year ended June 30, 2021:

	Without donor restrictions		With donor restrictions		Total
Interest and dividends	\$	12,461	\$	312,282	\$ 324,743
Net realized and unrealized					
gains (losses)		118,713		2,120,880	2,239,593
Subtotal		131,174		2,433,162	2,564,336
Investment fees		<u> </u>		(110,620)	(110,620)
Total	\$	131,174	\$	2,322,542	\$ 2,453,716

Note 4 - Fair value measurements

The Foundation applied generally accepted accounting principles for fair value measurements of financial assets that are recognized or disclosed at fair value in the financial statements on a recurring basis. Generally accepted accounting principles establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Foundation has the ability to access at the measurement date.
- Level 2 Inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 Inputs are unobservable inputs for the asset or liability.

Note 4 - Fair value measurements (continued)

The level in the fair value hierarchy within which a fair measurement in its entirety falls in based on the lowest level input that is significant to the fair value measurement in its entirety.

The following table presents assets that are measured at fair value on a recurring basis as of June 30, 2021:

	Level 1		Lev	rel 2	Level 3	
Equity	\$	9,098,256	\$	-	\$,
Fixed Income		6,011,175		-		-
Short-term reserves		122,076		-		-
Money market fund		5,849				-
Total investments	\$	15,237,356	\$	-	\$	-

Note 5 - Availability of financial assets

The following reflects the Foundation's financial assets as of the balance sheet date, reduced by amounts not available for general use because of donor-imposed restrictions within one year of the balance sheet date.

Financial assets	at June	30,	2021:
------------------	---------	-----	-------

expenditures within 1 year

Cash and cash equivalents	\$ 14,011
Investments	12,918,316
Other receivables	5,000
Total financial assets	 12,937,327
Less those unavailable for general expenditures within one year, due to:	
Restricted funds for allocations	(12,061,704)
Financial assets available to meet cash needs for general	_

Note 6 - Gift annuities

The Foundation is the beneficiary, under a gift annuity, of a distribution upon the death of the donor of the annuity. The annuity is held by a third-party trustee.

875,623

The activity during the year ended June 30, 2021 for the annuity is as follows:

Balance - beginning of year	\$ 9,738
Unrealized appreciation in value	1,303
Balance - end of year	\$ 11,041

Note 7 - Net assets with donor restrictions

Components of net assets with donor restrictions as of June 30, 2021 are as follows:

T 1				C 1 .*	
Hallndaftan	nrograms and	l income to	Sunnart	tolindation	nrograms
1 oundation	programs and	i income te	Jupport	Touridation	programs

Temporarily restricted and donor advised fund allocations	\$ 4,746,464
Permanently restricted funds for allocations	 7,315,240
Total net assets with donor restrictions	\$ 12,061,704

Note 8 - Endowment funds

The Foundation's endowment consists of funds established for a variety of purposes. Net assets with donor restrictions, as of June 30, 2021, consists of \$1,607,049 of endowment funds. The endowment includes donor-restricted endowment funds. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by the endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Foundation must hold in perpetuity.

The following table provides information regarding the change in endowment net assets for the year ended June 30, 2021:

Endowment net assets - beginning of year	\$ 1,357,388
Investment loss, net	311,805
Appropriated for expenditure	(62,144)
Endowment net assets - end of year	\$ 1,607,049

Note 9 - Other transactions

During the year ended June 30, 2021, members of the Foundation's Board of Trustees and employees made contributions of approximately \$20,174 for use in operations,.

Note 10 - Paycheck Protection Program loan

The Foundation received a \$27,625 Paycheck Protection Program loan during the year. The loan accrues interest at a rate of 1%. The Foundation expects the full amount of the loan to be forgiven.

Note 11 - <u>Custodial accounts liability</u>

As of June 30, 2021, the Foundation is holding cash and investments for other organizations as follows:

Jewish Family Children's Services	\$ 19,509
Greenwood House	61,059
Temple Beth El	66,933
United Jewish Federation of Princeton Mercer Bucks, Inc.	9,526
Other	2,168,890
Total	\$ 2,325,917

For the year ended June 30, 2021, the custodial accounts had investment income of \$25,160, net realized gains of \$1,316, net unrealized gains of \$134,969, and paid management fees of \$6,538.

Note 12 - Supplemental disclosures of cash flow information

Non-cash investing and financing activities for the year ended June 30, 2021, were:

Contributions of investments

\$ 698,568

Note 13 - Beneficial interest in property

The Foundation owns a 50% beneficial interest in a property located in Ewing New Jersey that is owned by a trust. If and when the property is ultimately sold, the Foundation will receive a portion of the proceeds.

Note 14 - Change in accounting standards

ASU 2014-09: The Foundation adopted Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers*. This ASU, as modified by ASU 2015-14, changes the timing of recording revenue for services performed. Management has determined that the Foundations method of recording revenue did not require a material change in order to be compliant with this standard.

Note 15 - Risks and uncertainties

On January 30, 2020, the World Health Organization (WHO) announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (The COVID-19 outbreak) and the risks to the international community as a virus spread globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The Foundation's operations are dependent on donations from individuals. The outbreak may have a continued material adverse impact on economic and market conditions, triggering a period of global economic slowdown. This situation is expected to depress the Foundation's contributions and affect the Foundation's ability to engage in special event fundraising during fiscal year 2022. As such, this may hinder the ability to advance their mission. As such, the Foundation's financial condition and liquidity may be negatively impacted for the fiscal year 2022.

Note 16 - <u>Subsequent events</u>

The Foundation's management has determined that no material events or transactions occurred subsequent to June 30, 2021, and through January 24, 2022, the date of the Foundation's financial statement issuance, which require additional disclosure in the Foundation's financial statements.
